

	Phonics	Reading	Maths	Fine Motor/writing	Wider Curriculum
Monday	<p>Farm animal sounds https://youtu.be/uF74DU34q2Y Listen carefully to the sounds. Can you identify which animal on the farm is making each sound?</p>	<p>https://youtu.be/3AZxio8pPUl Listen to the story 'MINE!'</p>	<p>Go on a number hunt. Look around and point out the numbers you see around you. Identify numbers that are important to you e.g. 3 or 4 for your age. What numbers are on your front door?</p>	<p>Some children may not have the strength in their hands and fingers to use a pencil. We have included ideas for activities to help strengthen hand muscles. These can be repeated to gain strength.</p> <p>Threading Thread the wool through the holes around the egg. You can go around the edge of the egg or make lines by going across the egg.</p>	
Tuesday	<p>Days of the week syllable song https://youtu.be/2EdpL06MifE Clap or stamp the syllables to the days of the week. Which day has the most syllables?</p>	<p>Share a book with an adult at home. Practise turning the pages.</p>	<p>https://youtu.be/Oz1QpERfoga Counting activity Count the number of eggs in each nest. <i>If your child counts accurately challenge them to put a given number of eggs into a bowl, reminding them to stop when they have the needed amount.</i></p>		<p>What is in the egg? Look at an egg and talk about what they think might be inside. Draw a picture of this inside the egg.</p>
Wednesday	<p>https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-hickory-dickory-dock/znpj47h Listen to the Nursery rhyme 'Hickory Dickory Dock'. This can be repeated throughout the week. Can you sing along?</p>	<p>https://youtu.be/zXRQWjZvrZU Listen to and join in with the book 'Doing the Animal BOP!'</p>	<p>Numbers 1 to 7 Practise counting and recognising numerals 1-7. Match the Numicon and numeral cards.</p>	<p>Tracing Tracing lines on an egg – 2 sided depending on your child's pencil control.</p>	

Thursday	https://youtu.be/m144DP1KyX A What is in the bag? Can you hear the sound each object begins with? Play I spy – something beginning with i.	Share a book with someone at home. Practise turning the pages.	Order and sequences familiar events. Talk about how you would build a snowman . Look at the pictures and place them in the correct order.		https://youtu.be/Fw_qQMn2Ee4 Watch the video showing eggs hatching. Talk about what you are seeing with an adult. How did they hatch? How many chicks did you see? Did you see any changes? If so, what?
The challenge activities below have been set for children who have successfully understood the learning activities above. If you feel that your child is not yet ready for these challenges then please repeat one of the activities above.					
Friday	Challenge https://youtu.be/9H1v1uMXwl Y Oral blending Ask an adult to split the colour words into the separate sounds and you can say and find the colour they are saying.	https://youtu.be/ITH54zQR4Jc Listen to the story 'Where's My Egg?'	Challenge Order and sequences familiar events. Talk about how you brush your teeth . Look at the pictures and place them in the correct order.	Challenge https://www.doorwayonline.org.uk/activities/letterformation/ Name writing - Select the letters for your child's name in order, remember to start the name with a capital letter (only the first letter should be a capital). If your child is not ready to write their full name start with just the first letter.	

Week beginning 22.2.21

Initial Sound I Spy **i**

Find and circle all of the things that begin with i.

Index	
apple	
banana	
grapes	
lemon	
orange	
strawberry	
watermelon	

Phonics Challenge – Week beginning 22.2.21

Oral blending

Ask an adult to split the colour words into the separate sounds and you have to find the colour they are saying, e.g. “ r - e - d”, “ b - l - oo”, “ g - r - ee - n”. Can you find something in your home that is “ b - l - a - ck”?

Maths Challenge

Fine Motor Control activity

Trace the lines across the egg. Start on the dots. Move across from left to right.

Add your own pattern in the empty space in the middle.

Wider Curriculum

What do you think is inside the egg? Talk about this with an adult then draw a picture inside. Think about and say a sentence to explain what you have drawn, e.g. "I thinkwill be inside the egg."
