

Wk beg. 1st March (Week before Science Week!)

Science Hunt!

Dear parents and children,

Next week is 'National Science Week'. We are going to be looking for Science in different stories. This week I would like you to look for Science in the environment around you! You will be completing a 'Science Hunt' (please see attached sheet).

Children that complete this challenge will be awarded 5 stars! Please email your work to your year group email address. E.g. year3@bordsgrn.bham.sch.uk

Your teacher will then send me the work to look at.

I can't wait to see what you find!

Kind Regards,

Miss Baker

(Science Lead)

Wk beg. 1st March (Week before Science Week!)

EYFS Science Hunt

Can you find the following things?

Use your 5 senses to help you!

You can look in your house, garden or when you are out for a walk!

Item to find	✓ ✗	What did I find?
Something loud I can hear 		
Something bright I can see 		
Something sweet I can taste 		
Something that feels soft to touch 		
Something that has a strong smell 		

KS1 Science Hunt
