Dear Parents,

Thank you for your support with your child's home learning. Please find below the work we would like you to complete for this week (w.b. 5.7.21). Remember you can submit the work via the year group email. Please make sure you title the email with you child's name. We are sending certificates to children who are completing lots of work, and as teachers when we see the work we can use it to plan the next set of work for your child. Your teacher will email you back some feedback once the work is sent in.
