Dear Parents,

Thank you for your on-going support with your child home learning. Please find below the work we would like you to complete for Friday 9th and Monday 12th July. Remember you can submit the work via the year group email. We should see some work submitted at least once a day. Please make sure you title the email with you child's name. We are sending certificates to children who are completing lots of work, and as teachers when we see the work we can use it to plan the next set of work for your child. Your teacher will email you back some feedback once the work is sent in.
