

Intent for our RE curriculum

At Bordesley Green Primary, we follow the Birmingham Agreed Syllabus for Religious Education.

Through our delivery of R.E., it is our intent to engage, inspire, challenge and encourage pupils, equipping them with the knowledge and skills to reflect on their own beliefs and the beliefs of others in our multi-cultural society. We intend to enhance pupils understanding of similarities and differences and further develop their respect and tolerance for one another.

We intend to promote the spiritual, moral, cultural, mental and physical development of pupils of all ages at the school and prepare them for the opportunities, responsibilities, and experiences of adult life. We aim to encourage pupils to explore how they might contribute to their diverse school, community and society through compassion, community, choice, commitment, contemplation and creativity, which are key pillars required to promote harmony and peace in an ever-changing world.

Our vision

Pupils will learn to articulate clearly and coherently their personal beliefs, ideas, values and experiences while respecting the right of others to differ. They will nurture informed and resilient responses to misunderstanding, stereotyping and division. Pupils will be strengthened and empowered by learning from each other and use their knowledge and skills to create a respectful and tolerant society.

It is intended that children will be prepared to live, flourish and work in global community and that Birmingham will become an enriched and more harmonious society (Birmingham Agreed Syllabus 2007:4)
